We are a highly regarded company specialising in large scale property renovations across France. All our properties are completed to a high standard, whilst retaining their original charm and character, and most importantly the finished product is always competitively priced.

Our French based entreprise has a vast experience in finding and bringing old French properties to life. To achieve this, we have a highly skilled French registered workforce that cover all aspects of restorations ranging from masonry, plumbing, electrics, carpentry and tiling. We have a frequently changing range of renovated properties for sale.
