CIM is a Carpentry and Renovation company based in the Deux Sèvres. We work within the Pays de Loire and Poitou Charente regions, covering areas 79, 85, 86, 16 and 17.

CIM supplies the complete carpentry needs for your project, from original conception if required, to realisation of your plans. From a humble set of shelves to a full conversion.

With access to a group of registered artisans including Roofers, Maçons, Plumbers and Electricians we can help you realise your project efficiently and effectively. Whether its bespoke kitchen designs, stunning staircases, architectural garden furniture or complete conversions, we can provide you a start to finish service to enhance your home.
